

OSPERIA

BUILT & SUPPORTED IN QUEBEC

DETA — ACCOUNT STATEMENT DETAILS

Your clients want the details. DETA sends them.

DETA automatically compiles every billing line from **Maitre'D** and emails a detailed account statement to each client at month-end.

DETAILED ACCOUNT STATEMENT

Every invoice compiled automatically into a clear, complete PDF document.

AUTOMATIC EMAIL DELIVERY

PDF sent directly to the client's email address stored in their Maitre'D profile.

MAITRE'D INTEGRATION

Uses data already in your system — no double entry, no complex setup required.

Developed by Osperia in Quebec — Guaranteed time savings for your team.

Local human support · No AI for customer service · 100% Quebec-based

CLIENT ACCOUNTS

Each client receives their own details

CASH FLOW

Fewer payment delays

WHY CHOOSE DETA?

- ✓ **Zero manual intervention**
DETA generates and sends account statements automatically every month.
- ✓ **Full transparency for your clients**
Every billing line detailed — no more questions, no more misunderstandings.
- ✓ **Direct Maitre'D integration**
Uses existing client data and email addresses already in your system.
- ✓ **Fewer payment delays**
An informed client pays faster and with less back-and-forth.
- ✓ **Built & supported in Quebec**
Local team for integration, configuration and ongoing support.

AUTOMATIC PDF

Complete statement generated and sent with no manual handling.

CLIENT SATISFACTION

Transparency and speed build stronger client trust.

HUMAN SUPPORT IN QUEBEC

A real local technician, in English, fast. No robots.
