Promotions displayed between orders

WHY CHOOSE NURO?

- ✓ **Zero counter callouts**
Customers see their number on screen — no staff interaction needed.
- ✓ **Extremely easy to use**
Numeric keypad only — no technical skills required from staff.
- ✓ **Blinking alert feature**
Make the number blink to grab the attention of a distracted customer.
- ✓ **Automatic advertising mode**
Your promotions display automatically whenever the screen is idle.
- ✓ **Built & supported in Quebec**
Runs on Windows — local team for integration and support.

REAL-TIME DISPLAY

Number appears instantly the moment the order is ready.

BETTER CUSTOMER EXPERIENCE

Less waiting, less confusion, more satisfaction.

HUMAN SUPPORT IN QUEBEC

A real local technician, in English, fast. No robots.
