POKE — EMPLOYEE SURVEY FOR HOSPITALITY

Team compliance. Collected in real time. In under 2 minutes.

POKE collects and archives shift declarations from your hospitality staff — with automatic alerts for every **non-compliance**.

SHIFT DECLARATION SURVEY

Customized questionnaire completed by each employee at shift start and end.

NON-COMPLIANCE ALERTS

Managers receive an email alert whenever a response doesn't meet standards.

CONFIDENTIAL FEEDBACK

Employees share anonymous feedback at the end of each shift.

Developed by Osperia in Quebec — Compatible with Maitre'D and standalone mode.

Local human support · No AI for customer service · 100% Quebec-based
